CONDITIONS OF COMPETITION

1. Event is open to amateur Men and Women golfers only, who are members of an affiliated golf club and hold a current Golf Australia handicap.
2. Rules of Golf and Local Rules shall be used throughout this event. The Match Committee has sole control of the event and reserves the right to vary the conditions should it be deemed necessary. In the event of a tie (or ties) prizes and places will be decided by the Australian Countback System.
3. Play will be in teams of 3 players. Players must form a group of three. There are to be no swingers. Maximum of 36 teams. The team handicap shall be 1/6 of the combined handicap and each player may play every shot.
4. There is differential of 3 strokes to be deducted from the women's final nett score to reflect the different course par.
5. The card must show each member's name, Golfink number and handicap.
6. All team members may tee off on each hole. The team chooses the shot they are going to use and the position of the ball is clearly marked.
7. Each ball must be placed on the same surface (fairway, rough, green, fringe, sand or penalty area) as where the selected ball was marked. In a sand bunker, the sand may be raked prior to placing the ball.
8. Players shall place their ball within one club-length of the selected position, no nearer the hole and play their second shots.
9. When on the green, balls are placed within one card length of the selected spot, no nearer the hole. The selected spot shall be clearly marked. If you putt and the ball is close, play again and tap it in.
10. Each team member's tee shot must be used at least five (5) times during the round. The team card shall clearly show whose tee shot was used until each player has completed the required number of tee shots. If this is not clearly marked on the card, the team may be subject to disqualification.
11. Motorised Buggies may be used.
12. Please note: **READY GOLF** applies to this event.
13. QR code check-in and proof of COVID vaccination will be required.
