# Rules of Play in Special Events

## ***Foursomes***

- In this Game only **1 player** tees off & their playing partner shall then play the next shot, then play alternatively until holing out. On the next hole **the opposite player** tees off & they play alternate shots until holing out. Tee shots are alternated for the **whole** of the game. **NOTE:** If either player incurs a penalty stroke, it does not alter the rotation of play.

## ***Canadian Foursomes***

- In this game **both players** tee off & select the favoured ball & then play **alternate shots** until holing out.

## ***Yankee Foursomes***

- In this game **both players** tee off & then play **each other's ball once**. The favoured ball is then selected & they play **alternate shots** until holing out.

## ***Ambrose Competitions***

- **Driving:** 2 Person - Minimum of **6 drives** for each player. 3 Person - minimum of **4 drives** for each player. 4 Person - minimum of **3 drives** for each player.
- **On Fairways:** All players may **place** their ball within one club length of the chosen ball, not nearer the hole.
- **In Rough:** The player whose ball is chosen **must** play the ball as it lies. Remaining players should **place** their ball within one club length, not nearer the hole & must remain in the rough.
- **On the Green:** All players should place their ball within one hand span of the chosen ball, not nearer the hole. Any player may putt first.
- **Signatures:** A minimum of two signatures are required for each card.
- **Clubs:** Partners may share clubs provided the total shared is not more than fourteen.

## ***4BBB Aggregate Stableford***

- Each player plays an **Individual Stableford Round** in this event & the competition is played with a partner as in a 4 Ball Stableford.
- Individual full handicaps are applied to each player & the number of points scored by each player is recorded at the end of every hole as well as the **TOTAL or AGGREGATE** score for the team.
- The team having the highest number of points is declared the winner.

**NOTE:** You **MUST** record the **STROKE** scores of the players as well.  
(This game can also be played as a 3 Ball or as a team of 4)

## ***4BBB Stableford Multiplier***

- This game is played exactly the same as *4BBB Aggregate*, **except** at the end of each hole the teams score is **multiplied** instead of being added together.

Example: Player A scores **2 points** & Player B scores **3 points**. (**2 x 3 = 6**)

Example: Player A scores **4 points** & Player B scores **0 points**. (**4 x 0 = 0**)

- The team having the highest number of points is declared the winner.  
**NOTE:** You **MUST** record the **STROKE** scores of the players as well.

### ***3-Person Ambrose Stableford***

- Teams of **THREE** - All players play of their current GA Handicap.
- Your Team **MUST** select **4 Drive's** from each Player in the Team over the 18 Holes.
- Whoever's drive is selected; the Team shall play of that Players Handicap for **THAT HOLE ONLY**.
- The Stableford Score is determined by the amount of Strokes taken, compared to the Handicap Index of the Player whose drive was selected.
- The team having the highest number of points is declared the winner.

**NOTE:** You **MUST** record the number of Drives each player has had.

### ***Par or Stableford Bisque***

- In this game the competitor plays of **SCRATCH** but can choose on **which holes** they want to use their current GA Handicap. **Example:** You are currently playing of a handicap of **18** you may elect to use those **18** shots **anywhere** you like on the Golf course.
  - **A Birdie is a Plus (+) or 3 Points in Stableford**
  - **A Par is a Halve (o) or 2 Points in Stableford**
  - **A Bogie is a Minus (-) or 1 Point in Stableford**
- You must decide how many shots off your handicap you want to use on each hole **after holing out & before teeing off** on the next hole.
- Any shots remaining after completing your round **CANNOT** be used.
- Please Mark your Card as Follows:
  - In the **1<sup>st</sup> Column:** record amount of **Strokes Taken**
  - In the **2<sup>nd</sup> Column:** record **Shots Used from Handicap**
  - In the **3<sup>rd</sup> Column:** record The Result **(+ / 0 / - or Points scored)**

- On the **TEAM CARD**, place Players Initials above the stroke columns & record **Stableford Total** in the result column to the far right of the Card.
- On the **FIRST SIX HOLES** (holes 1-6) your team must record the **HIGHEST** Stableford score out of the group on the card.

- The team having the highest number of points is declared the winner.  
**NOTE:** You **MUST** record the **STROKE** scores of the players as well.
- If all players have the same score on a hole, the player(s) who **HOLED OUT FIRST** shall have their scores recorded on the card.
- Two players from the group must sign the card.

## ***Mulligans***

- In this game players may **replay one shot** per hole without penalty.
- Players must nominate **immediately after playing their shot** if they want to replay the shot again.
- If a "**Mulligan**" is not used, it **CANNOT** be kept for later use on any hole.

**Please Note: The Events Program is subject to alteration from time to time, due to unforeseen circumstances beyond our control (see 2020) If any Event or Time requires changing, the Match Committee in control of that days Event, shall have full discretion in amending the Competition.
