## Rules of Play in Special Events

### ***Foursomes***

**NOTE:** If either player incurs a penalty stroke, it does not alter the rotation of play.

### ***Canadian Foursomes***

- In this game **both players** tee off & select the favoured ball & then play **alternate shots** until holing out.

## ***Yankee Foursomes***

- In this game **both players** tee off & then play **each other's ball once**. The favoured ball is then selected & they play **alternate shots** until holing out.

## ***Ambrose Competitions***

- **Driving:** 2 Person - Minimum of **6 drives** for each player. 3 Person - minimum of **4 drives** for each player. 4 Person - minimum of **3 drives** for each player.
- **On Fairways:** All players may **place** their ball within one club length of the chosen ball, not nearer the hole.

- **On the Green:** All players should place their ball within one hand span of the chosen ball, not nearer the hole. Any player may putt first.
- **Signatures:** A minimum of two signatures are required for each card.
- **Clubs:** Partners may share clubs provided the total shared is not more than fourteen.

## ***4BBB Aggregate Stableford***

- Each player plays an **individual Stableford round** in this event & the competition is played with a partner as in a 4 Ball Stableford.
- Individual full handicaps are applied to each player & the number of points scored by each player is recorded at the end of every hole as well as the **TOTAL or AGGREGATE** score for the team. **NOTE:** You **MUST** record the **STROKE** scores of the players as well.
- The team having the highest number of points is declared the winner. (This game can also be played as a 3 Ball or as a team of 4)

## ***4BBB Stableford Multiplier***

- This game is played exactly the same as *4BBB Aggregate*, **except** at the end of each hole the teams score is **multiplied** instead of being added together.

Example: Player A scores **2 points** & Player B scores **3 points**. ( $2 \times 3 = 6$ )

Example: Player A scores **4 points** & Player B scores **0 points**. ( $4 \times 0 = 0$ )

- The team having the highest number of points is declared the winner.  
**NOTE:** You **MUST** record the **STROKE** scores of the players as well.

## ***Mulligans***

- In this game players may **replay one shot** per hole without penalty.
- Players must nominate **immediately after playing their shot**, if they want to replay the shot again.
- If a "**Mulligan**" isn't used, it **CANNOT** be kept for later use on any hole.

## ***Par or Stableford Bisque***

- In this game the competitor plays of **SCRATCH** but can choose on **which holes** they want to use their current Handicap. **Example:** You are currently playing of a handicap of **18** you may elect to use those **18** shots **anywhere** you like on the Golf course.
  - **A Birdie is a Plus (+) or 3 Points in Stableford**
  - **A Par is a Halve (o) or 2 Points in Stableford**
  - **A Bogie is a Minus (-) or 1 Point in Stableford**
- You must decide how many shots off your handicap you want to use on each hole **after holing out & before teeing off** on the next hole.
- Any shots remaining after completing your round **CANNOT** be used.
- Please Mark your Card as Follows:
  - In the **1<sup>st</sup> Column:** record amount of **Strokes Taken**
  - In the **2<sup>nd</sup> Column:** record **Shots Used from Handicap**
  - In the **3<sup>rd</sup> Column:** record The Result (**+ / 0 / - or Points scored**)

- The team having the highest number of points is declared the winner.  
**NOTE:** You **MUST** record the **STROKE** scores of the players as well.
